Installation/Setup

Oracle Apex Workspace

1. Go to https://apex.oracle.com/en/learn/getting-started/

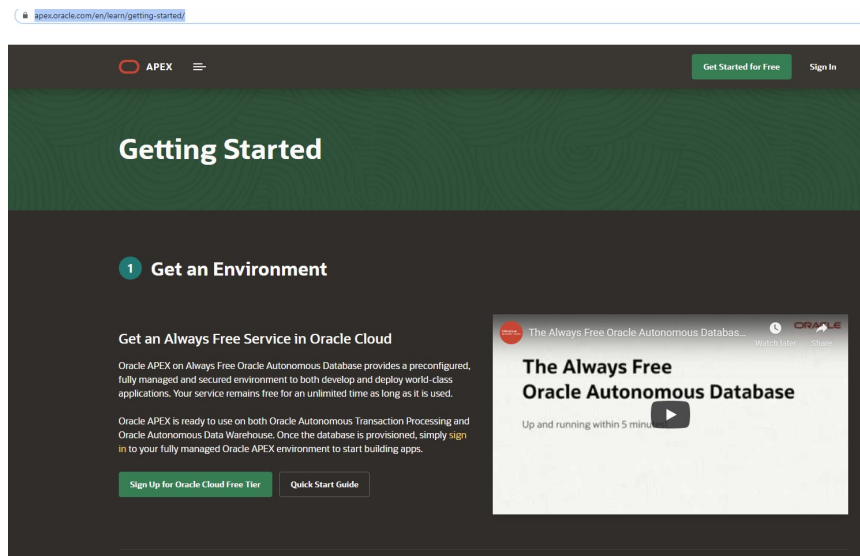

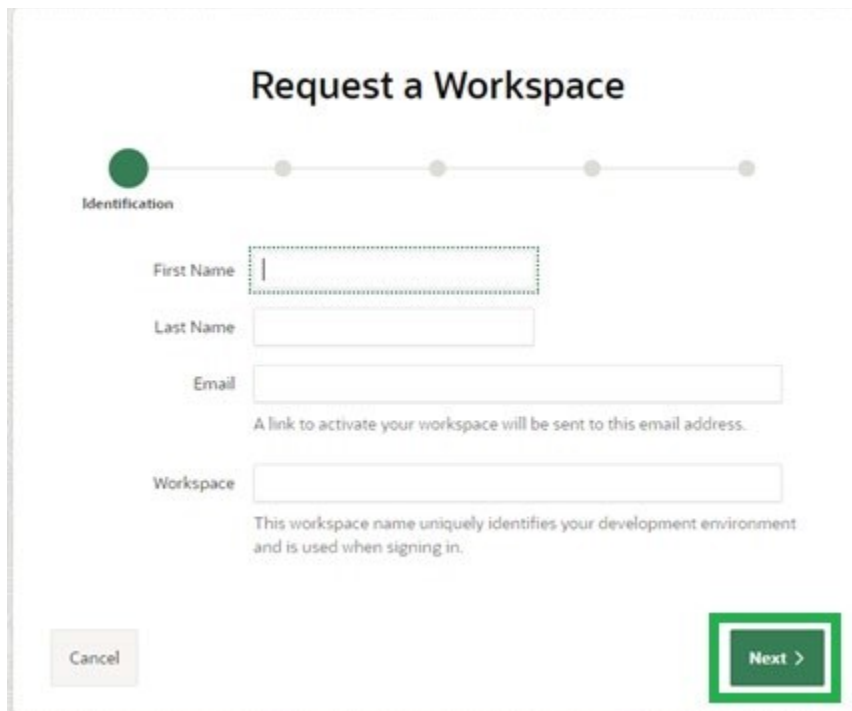

2. Scroll down and click on "Request a Free Workspace".
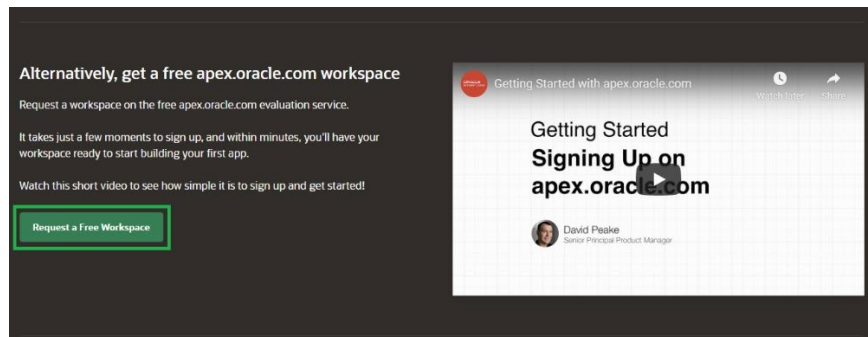

3. A redirection/new page will open with the below form. Fill in the requested details and click on "Next".
Note: The workspace name needs to be unique (similar to how we have unique email id's on a website)

4. On the next page, there will be a survey, fill the survey questions and click on "Next".

5. On next page, add details around "Why are you requesting a Workspace?". It can be as simple as "Practice SQL on Oracle Database".

   Click on "Next".

6. Read the license agreement and accept the terms. Click "Next".
   Note: It is mandatory to accept the terms if you want to use the apex oracle workspace.
